*** In light of the complexities of moving elementary classrooms and staff districtwide, elementary schools will operate on a 180 student day calendar for this year only. Students in Grades 6-12 will adhere to the 182 student day calendar. Dates are subject to change if emergency school closings are required. Any additional days that may be needed at the end of the school year due to emergency school closings are indicated on the calendar (#). If more than seven (7) days are needed due to school closings, the April vacation period will be reduced. The SWHS graduation date for the Class of 2017 will be adopted at the first Board of Education meeting in April 2017.**
